DEPARTMENTAL ACADEMIC & LABORATORY REGULATIONS

---

1. Laboratory Safety Rules & Operational Standards

Safety is paramount across all department laboratories:

- Students must wear white lab coats and closed-toe leather/safety shoes during chemistry, physics, and mechanical workshops.
- Electrostatic Discharge (ESD) wrist straps are mandatory when handling microcontrollers and circuit hardware in electronics laboratories.
- Food, beverages, and mobile phones are strictly forbidden inside computing and hardware laboratories.

2. Internal Assessment Weightage Breakdown

Each course evaluation carries a total of 100 marks divided as follows:

- Continuous Internal Assessment (CIA): 40 Marks
  * Mid-Term Test 1 & 2: 25 Marks
  * Continuous Quizzes and Technical Assignments: 10 Marks
  * Classroom Attendance & Class Participation: 5 Marks
- Semester End Examination (SEE): 60 Marks

3. Mini-Project and Major Project Submission Rules

Final-year mini-project reports must adhere strictly to IEEE two-column documentation standards.

Soft copy and two hard-bound copies signed by the project guide and Head of Department (HOD) must be submitted at least 14 days prior to the commencement of viva-voce examinations.

Plagiarism in project code or report text exceeding 15% as checked via Turnitin will lead to automatic rejection of the project.
